

## 33<sup>rd</sup> CGCA annual conference -- First round announcement

Time: 6<sup>th</sup>-7<sup>th</sup> November 2021

Online conference

The 33<sup>rd</sup> Annual Conference of the Chinese-German Chemical Association (CGCA) will be held online on November 6<sup>th</sup>-7<sup>th</sup>, 2021. This annual meeting was co-hosted by the CGCA and the Education Office of the Chinese Embassy in Germany. The annual meeting will focus on hot topics in chemistry-related fields such as "Chemistry and Corona-Epidemic" and "Alternative Energy". Internationally renowned professors and outstanding Chinese scholars in Germany will be invited to give presentations. The three awardees of the "2021 CGCA Young Researchers Award" Dr. Chaojian Chen, Dr. Akash Kaithal and Dr. Chuanxiong Nie will give their presentations and compete for the first class of the award.

### 1. Registration:

"Registration Form for the 33<sup>rd</sup> Annual Conference of CGCA"

The registration deadline is October 21, 2021. If you encounter any problem such as unsuccessful registration, please contact [liuwenlan@mpip-mainz.mpg.de](mailto:liuwenlan@mpip-mainz.mpg.de)

In order to encourage more colleagues from chemistry and chemical industry to participate in the conference, registration to the annual conference is free of charge. We will send the Zoom-link of the conference to all the participants via email a few days before the conference starts.

### 2. Scientific contributions:

We welcome scientific contribution in form of oral presentations. To apply for an oral presentation, please send a short CV and the abstract to [liuwenlan@mpip-mainz.mpg.de](mailto:liuwenlan@mpip-mainz.mpg.de), with title "YOUR NAME + 2021 CGCA Oral Presentation Application", before the deadline of October 15<sup>th</sup>, 2021. You will receive a confirmation email from us. The presentation language is English and the time is limited to 12 minutes presentation + 3 minutes discussion. Considering the diverse research background of participants, the presentation should be made understandable to the majority of audience.
